JOB POSTING PANEL(Recruiter's session)

The screenshot displays the 'Post Job' form in the Jobby web application. The browser's address bar shows the URL '127.0.0.1:8080/jobpost'. The application's navigation bar includes links for Home, Browse Job, News Feeds, and About, along with a user profile icon and the email 'itcompany@gmail.com'. The form itself is titled 'Post Job' and contains several input fields: 'Recruiter ID' (filled with 'itcompany@gmail.com'), 'Job Title' (filled with 'Software Developer'), 'Job Type' (filled with 'Full Time'), 'Experience' (filled with 'N/A'), 'Key Skills' (filled with 'C, Java, Python'), 'Location' (filled with 'Chennai'), and 'Salary' (filled with 'Rs.20000-Rs.30000'). A large text area for 'Discription' contains the text 'Everyone has good communication skills. Should good technical skills'. A 'Post Job' button is located at the bottom right of the form.
